

Action taken by STFI for prevention of age fraud

Sepaktakraw Federation of India is taking pro active steps to handle the issue of Age Frauds.

- Detail data of Players and its documents is being made which will have complete information about his chronological age and Training age.
- Players need to prove their age along with original documents in front of District and State Association officials and their date of birth eligibility documents are signed by respective state association and submitted with STFI before any competition. The STFI will further check the age eligibility with available data in STFI records and previous eligibilities available of past competitions to verify it. Once verified then only the fencer is permitted to participate in competition
- Sepaktakraw Federation of India has made it mandatory to attach and produce Aadhar Card and Birth Certificate/Education Certificate/First Class Magistrate Affidavete for participation in Junior and Sub- Junior National Championships. The checks and balances are such that age verification is done in various levels before participation. The levels are
 - Check by State/Affiliated unit while submitting the Entry to STFI.
The same is done 30 days prior the competition.
 - Second check done by STFII office on receipt of entry for participation by state units with existing or available data.
This is done 1 Week prior to the competition.
 - Third check is done by the organizing committee in help with STFI office coordinator one day prior to the completion at venue.
The same is done by verifying the DOB with original certificate in presence of person before issuing the Identity card to player for championship
- STFI has constituted an committee recently for stopping age fraud. That committee screening the all participants from next championship onwards the team of experts will do physical examination of player in competition location.
